AMENDMENTS - EMPLOYEE CONTRIBUTIONS TO THE PROVIDENT FUND

Various requests were received from employees who enquired about the possibility to make additional contributions to their existing Provident Fund accounts on a voluntary basis. After considering the requests the Council has resolved at a Council meeting held on Tuesday 17 July 2018, that the **employees will be allowed** to make the following contributions to the Provident Fund:

- **General Workers** – The employee may contribute **either** the **compulsory** prescribed fixed Provident Fund contribution of **R45-00** per week **OR** a **voluntary contribution** of 6% of the employee's normal weekly wages **by the employee**, provided that the **voluntary contribution** of 6% of the employee's normal weekly wages, is equal to or more than the compulsory fixed Provident Fund contribution of R45-00 per week.
- **All other Occupation Skills Levels** – The employee may contribute **either** the **compulsory** prescribed fixed Provident Fund contribution of **R66-00** per week **OR** a **voluntary contribution** of 6% of the employee's normal weekly wages **by the employee**, provided that the **voluntary contribution** of 6% of the employee's normal weekly wages, is equal to or more than the compulsory fixed Provident Fund contribution of R66-00 per week.

All establishments are obliged to facilitate these requests from any of their employees concerned.

It was further resolved that these **employee** contributions to the Provident Fund become effective from each establishment's **first (1st) full pay week in July 2019.**
